

**Main Street Lumber**  
**Main Street Millwork**

## Exterior Door Disclaimer

At Main Street Millwork we take pride in providing quality doors for your building project. Our sales consultants make every effort to ensure that you are selecting the best possible door to fit your projects needs for style and performance. However, the final choice is yours. In some cases, your decision may go against our recommendation as it relates to performance issues. For this reason, we ask that you read the statements below and sign your name to indicate that you have been fully informed about your exterior door purchase.

1. My sales consultant has offered me copies of, or referred me to their website, to view all of the following important information: "Choosing the Right Exterior Doors for Your Home", "Exterior Door Issues and Who's Responsible", "Exterior Door Installation, Finishing and Maintenance".
2. My sales consultant has given me a copy of the "Exterior Door Warranty" or referred me to their website for viewing.
3. My sales consultant has answered all my questions about the location and potential performance issues of my door.
4. I understand that my door purchase comes with a limited one-year warranty as outlined in Main Street's "Exterior Door Warranty". I understand that not following the guidelines for proper installation, finishing, protection and maintenance may void my warranty.
5. I understand that my door is built to order and is non-returnable unless it is damaged, defective or built incorrectly.
6. I have reviewed my door order and agree that it is correct.
